

Rules for acceptable computer use
(Key stage 1)

Think then Click!

These rules help us to stay safe when using the computers and on the internet

We only use the computers when an adult is with us.

We can click on the buttons or links when we know what they do.

We follow teacher's instructions. If we are stuck or see something we don't like we speak to a teacher straight away.

We look after the computers and treat them carefully.

We only use the login details given to us by teacher.
