17th March 2020

Dear Parents,

In response to recent updates from the government, we are in need of making some changes.

1. There are to be no social gatherings, this includes: whole school assemblies; Lower Junior production performances and Year 5 Viking and Year 4 Egyptian Days. We will try our best to reschedule these events where possible. After-school clubs will continue as these are small groups of pupils.
2. There is to be no non-essential travel arrangements, therefore we are cancelling the Foundation trip to Rushall Farm and the Year 2 trip to The River and Rowing Museum. We will attempt to reschedule these events where possible. As the Year 6 residential trip to Tregoyd is in June, there are no plans to cancel this at this stage.
3. There is to be social distancing, therefore all parent readers and volunteers are asked to not visit the school until further notice.
4. Due to the vulnerability and need for self-isolation of some members of staff, classes may look different as well as staffing arrangements.
5. Dining hall capacity will be reduced, therefore the lunch hour may be extended.

In light of the government's announcement yesterday, please heed the advice given. If a member of your household is presenting symptoms of a temperature above 37.8 degrees and/or a new, persistent, dry cough then the entire household must isolate for 14 days.

Thank you for your support and wishing everyone all the best at this difficult time.

Tonia Crossman
Headteacher
