# Looking Smart at Secondary School

One of the different things about moving to secondary school is the change in what you will wear. Use the school website to draw and label the school uniform you will wear onto the Lego figure

Why is wearing the correct school uniform important?

# Getting to Secondary School

Getting to your secondary school safely is just as important as being there. In the box below, draw the route you are going to take to school (whether that's walking, cycling, driving or by bus). Identify spots where there could be hazards (e.g. busy roads) and explain how you will manage this safely!

A large, empty rectangular box with a thin black border, intended for a student to draw their route to school and identify potential hazards. The box occupies the majority of the page below the introductory text.

# Full Stop Day

Last six hours of primary school  
Goodbye is getting near  
The sums and sentences all done  
The full stop day is here

$1+1=2$      abc

Last five hours of primary school  
Where everything's before  
The aims and games and crazes  
no one's crazy for no more

Last four hours of primary school  
Surrounded by a class  
Who'll scatter soon and not return  
when summer's days have passed

Last three hours of primary school  
One final lunchtime play  
Instead of chasing friends we try  
to chase and catch the day

Last two hours of primary school  
The clock hands blur and skid  
Signing shirts, remembering  
the coolest things we did

Last one hour of primary school  
With Miss who understood  
And helped me see I could achieve  
'cos she believed I could

Last half hour of primary school  
The final moments we all dread  
We cannot sing - us Year Six kings  
The crown slips from our heads

Last ever second of primary school  
The full stop rings in our ears  
But a thousand chapters left to write  
We must vacate our childhood site  
For time moves on and time is right -  
To leave our wonder years
