Headteacher - Mrs. T. Crossman

29th September 2020

Dear Parents,

As mentioned in the recent newsletter, we have been informed that all Year 2 pupils must now take the Year 1 Phonics Screening Check that had been scheduled for June 2020. This will now take place in November.

To support your children with this we are revisiting and revising all of the sounds in class and will also be practising the format of the check so that they feel as comfortable as possible.

We would appreciate your support at home with revision as well and so we will be sending home a short blending task each Tuesday for you to do with your child. Please read the list of words with your child and practise any sounds they find tricky. The sound mats - previously sent home in Year 1 - will help with this, along with an explanation of how the alien (nonsense) words sound on the back of each page.

If you would like any support with this or have any questions then please contact us.

Yours sincerely,

The Year 2 Team
