

Emmer Green Primary School

Accessibility Plan 2023 - 2026

At Emmer Green Primary School, we are aware that we have a duty under the Equality Act 2010 to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- Foster good relations between persons who share a protected characteristic and persons who do not share it.

With this in mind, this Accessibility Plan has been drawn up in consultation with the pupils, parents and governors of the school and covers the period from October 2023 - September 2026.

We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their age, education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

The Accessibility Plan will contain relevant actions to:

- Improve awareness of **Equality and Inclusion**.
- Improve access to the **physical environment** of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
- Increase access to the **curriculum** for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are pupils without disabilities. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum.
- Improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.
