

Year 1 Spellings – Term 2

This term, we are looking at the Common Exception Words for Year 1. These are words which are most often used but commonly misspelt by children of this age and are listed in the National Curriculum. We try to group these words into families so they are easier to learn. We also focus on a different sound each week, which relates to our Phonics lessons in school. Children on a personalised curriculum may have individual spellings.
