Headteacher - Mrs. T. Crossman

Dear Parents

As part of our creative curriculum, the juniors are to take part in a 'University Style' course. We are offering a wide range of courses to suit all interests. Children will make their course choices from the Emmer Green Prospectus and application form which can be accessed via our school website. Their class teacher will talk through the application process with them.

The courses will take place on the afternoons of 7th and 8th May. Children will need to complete an application form indicating their 1st, 2nd, 3rd, 4th and 5th preferred choices. Again, this year we would like the children to apply online. Online applications will be open from **Wednesday 17th April at 6pm** and can be made by visiting www.emmergreenprimary.com/egu. If your child is unable to access the internet at home, there will be school laptops available on Friday 19th April in 6NM during break and lunch so that they can come and complete the form then. We will ensure that the children are reminded of this on the day.

We will do our best to accommodate children's individual choices as much as possible and we will allocate places on a first come, first served basis. We would appreciate it if you could assist your child (ren) in completing their application form. All applications should be completed by **Friday 19th April**.

We hope that the courses will offer your child a new learning experience whilst encouraging them to think about future education choices.

Yours sincerely,

Nichola Mullins
Assistant Headteacher
